## ***2018 AUBURN CITY FIRE GOLF TOURNAMENT***

The **Auburn Hook and Ladder Company #1** is a benevolent and social, 501 (c) (3), organization consisting of members who support and promote fire protection and safety in the Auburn Community.

**Tax ID No. 68-0238399**

**Auburn Hook and Ladder Company # 1** members donate time and services to local community groups and events in the Auburn area. These groups include Local Schools, Auburn Area Christmas Basket Program, and the Annual 4<sup>th</sup> of July Pancake Breakfast. In past years we have supported the Boy Scouts, Auburn Little League, Auburn Youth Soccer, and Placer High School.

In addition to purchasing and donating bicycles to the Christmas Basket Program **the Auburn Hook and Ladder Company #1** purchases and donates safety equipment and tools to the Auburn Fire Department. Some of the items donated in the past include: vehicle lock-out kit for removing children locked inside cars, radio communication enhancement for safer communications at emergencies, a smoke generating machine for firefighter training, incident computers for fire engines and command vehicles and last year, due to your generous contributions we were able to fund Rescue Struts and Cribbing to enhance Firefighter and Citizen safety at accident scenes!. Over the past several years, **The Auburn Hook and Ladder Company #1**, through donations and fundraisers, have donated approximately \$30,000 to the historical renovation of the Old Town Fire and El Dorado Street Fire Stations.

This year the **Auburn Hook and Ladder Company #1** is sponsoring its **13<sup>th</sup> Annual Auburn City Fire Golf Tournament**. The Tournament is the primary annual fundraiser for our organization. This year's Tournament will be held at Auburn Valley Golf Course in Auburn, Friday, June 22. Following the golf, there will be a short social event including dinner and raffle prizes.

In addition to supporting the above mentioned groups and events proceeds from this event will go toward purchasing fire related equipment for the Auburn Fire Department and we will continue to support the restoration of the Historical El Dorado Street Station (circa 1888) and several historical Auburn Fire Department vehicles.

In these times of constrained budgets, we thank you for your participation in the **13<sup>th</sup> Annual Auburn City Fire Golf Tournament**, and your generous continued support of the **Auburn Hook and Ladder Company #1**.

**Matt Tribur & Dave Davis**
